Non Resident Applicant Waiver Conditions for Eatonville School District (ESD)

Applications for non-resident admission shall be reviewed based upon the following:

- A space in appropriate courses or programs at the non-resident school depends on availability.
- Students who reside within the Eatonville School District will be given priority for placement in special programs. In the event there is a waiting list for placement in such a program, student living outside the district will not be placed until all students who reside within the district have been placed.
- If excess enrollments make it necessary to move students to other schools within the district to adjust class size, children who live outside the district may be moved to another school.
- It is important that students arrive at school at the designated starting time and attend school regularly. Excessive tardies and/or absences may result in a nonrenewal of the transfer.
- Students must maintain passing grades in all classes at quarters, semesters and trimesters. Poor grades will result in the discontinuance of this waiver.
- Students are required to obey all school and district rules and regulations. Repeated and/or serious discipline problems will result in the discontinuance of this waiver.
- If student becomes eligible for special education services while attending ESD, the student will transfer back to his/her resident school at the end of that school year.

Athletic Eligibility: As per Washington Interscholastic Activities Association Rules, students are not eligible for varsity competition at the high school level unless a hardship exists and subsequent appeal is granted, or unless the student has attended Eatonville School District for at least one year.

Transportation for students residing outside the Eatonville School District is the responsibility of the parent/guardian.

The Eatonville School District reserves the right to revoke this transfer at any time though the school year if the student does not adhere to these conditions. If it becomes necessary to change placement of the student, this agreement shall become null and void.

Your signature on the front of this form signifies you have read and understand the waiver conditions above. Parent Initial _____
